MESSAGE

I am pleased to know that the Dr. Mane Medical Foundation and Research Centre (DMMFRC) is working in the area of cancer care for the last 10 years.

It is heartening to note that the Centre has become a beacon of hope for patients from Maharashtra and neighboring states. The Centre's dedication to providing free treatments, life-saving surgeries and cancer awareness programmes is commendable.

I congratulate the Dr. Mane Medical Foundation and Research Centre and wish the Centre success in its noble endeavors.
