Dr. Swapnil Mane,
Sai Dham Cancer Hospital,
Shirdi, Maharashtra.
Sir,

It gives us great pleasure to welcome your organization into our Rotary World as an Hon Rotarian and consider this an Honour for us to join hands with you as "PARTNERS IN SERVICE" for this Noble Cause and thank our Board Member Rtn Harjeet Anand for this step. We are extremely obliged and glad to join hands with such an organization and with your association sponsoring / co- sponsoring projects which will carry a great impact on the Society.

At the outset we would like to give you a brief introduction of what are our activities to justify our existence in this Rotary World. Rotary Club of Mumbai Khar is a part of the Prestigious Rotary World Organization, A Global Network of 1.2 million neighbours, friends, leaders, and problem-solvers who see a world where people unite and take action to create a lasting change – across the Globe, in our communities, and in ourselves into making this world a better place for the Underprivileged and for the benefit of the Society at Large. Our club has been operational since last 29 years and has only grown from strength to strength year on year. We belong to a group of over 6000 Members and 105 Rotary Clubs coming from diverse and Elite backgrounds designated as District 3141 and over 6000 Rotractors and Interactors.

We are engaged in Multiple Activities with the intention of '*Giving Back To Society*'. These Activities are either driven directly by the Club or Partnered with Other Clubs in the City for execution. Attached is our Profile and a Leaflet giving details of the List of Projects and Programs conducted by our Club in the Past and Plans for Future Projects.

We are sure as an important public figure you will be able to give us an opportunity and also a great exposure to our projects and jointly promote the work of a worldwide organization like ROTARY INTERNATIONAL AND ROTARY CLUB OF MUMBAI KHAR.

Thanking you,
Yours in Rotary Forever,
For Rotary Club of Mumbai Khar,
